NextGENe[®]

Local Licensing Registration Guide License Renewal

NextGENe will open with limited functionality while license is expired.

Contact SoftGenetics at info@softgenetics.com to purchase an extension.

Once you have received confirmation of the renewal, completing the registration process renews NextGENe to full functionality.

NextGENe*	
Next Generation Sequencing Software for Biologists	Limited Functionality! Software needs to be registered or configu
endersing actor ctgr	

- Click on "Register" shortcut from Start menu. Note: Log on to the computer as a Local Administrator. In order to meet User Account Control settings, you may also need to right-click on the "Register" shortcut and choose Run As Administrator.
- 2. Input your Account, Password and Email and click Register.

NextGENe will attempt to connect to the SoftGenetics server to continue with the online registration process.
